God blessed us with our first son on May 1, 1998, the second oldest of six children. Since the day he started walking he's had a servant's heart and always is first to jump in and help someone who is in need. John has been home school-ed his whole life and enjoys physical fitness and playing basketball these past four years on the CSTHEA Patriots team. For five years he was in the Civil Air Patrol, working his way up to 2nd lieutenant. It was there that his love for flying and rescue work began.

While John attends Chattanooga State in the fall he'll decide if he will be transferring to MTSU to pursue a career as an airline pilot or join the Coast Guard for search and rescue. Whatever he chooses, we know he'll do it through hard work and dedication. We couldn't be more proud of our son, the man he has become and what his future holds.

Jimmy Smith resides with his parents and sister in Pikeville, Tennessee on a farm/B&B.

His greatest passion, aside from serving God, is music. Approximately four years ago, he purchased his first midi controller, including the software to create electronic music. Over the following years, despite setbacks, he began learning how to transpose his ideas onto software. Discovering how challenging it is to create the music he loves has unlocked a greater respect for his electronic music heroes, such as Deadmau5. When he is not doing school or farm work, he is spending much of his time in his makeshift "bedroom studio" head-banging to the latest drop he is working on.

Among his other extra-curricular activities, Jimmy has been a proud member of the CSTHEA Mock Trial team for four years, during which time he had the honor to participate in regional, state, and international competitions. While competing, he has won best attorney and witness on multiple occasions. He is thankful to have had amazing coaches, including: Chancellor Jeffery M. Atherton, attorney Steve Duggins, and Teresa Jones. Jimmy is a strong believer in: Jesus Christ, the Second Amendment, and pursuing your dreams instead of settling for something mediocre.
